Click on your profile

The screenshot shows a web interface for 'Cub Scout Pack 1'. At the top, there is a navigation bar with tabs for 'Dens', 'Scouts', 'Users', 'Leaders', and 'Cub Scout Pack 1'. Below this is a search bar and a 'Show 100 entries' dropdown. A table with columns 'Den', '# Scouts', and 'Leaders' is visible, with one row showing 'Den 1' and '0'. On the right side, a user profile menu is open, with 'Your profile' highlighted by a red circle. Other menu items include 'Documentation', 'Forums', 'Contact us', and 'Log Out'.

Enter the dates. Make sure Until date is a year from now. Leave Sync every event checkbox unchecked (the default, on cell phone might not be visible- nothing to do) and click on Synchronize. All new events and changes to existing will sync automatically.

Cub Scout Pack 1 / Pack Users / [REDACTED] / Google Sync

Synchronize Calendar Events to your Google Calendar

Use this process to do an initial synchronization of events into your Google Calendar. While you can repeat this process it is not required as events will automatically synchronize as they are added, updated and deleted.

Choose the date range for search for events to synchronize. When you click 'Synchronize' the process will occur in the background and may take several minutes before they show up on your Google Calendar.

Starting from

07/18/2019

Until

08/31/2020

Sync every event

By default you'll only get events to which you're invited. Checking this box will ensure every event for Cub Scout Pack 1 will be synchronized to your Google Calendar now and going forward. To turn this feature off, just sync again without checking the box.

Synchronize

Cancel

Check you Google Calendar to make sure ScoutManager Calendar is checked. First time syncing will take some time. Only events that the ScoutManager user is invited will sync. Make sure, in your ScoutManager user profile, to check you are associated with your cub scout.
